CALL FOR PROPOSALS

Rupert Riedl-Scholarship to promote the research on marine organisms

The Haus des Meeres supports the completion of a Master thesis. All topics that serve the **understanding of marine organisms** are eligible for funding. The scholarship is intended to **enable the completion** of a thesis planned for **2024**, predominantly at an **Austrian research institution**.

Upon individual application by the person to be funded, € 6.000 will be awarded for the duration of 6 months.

The application must include:

- ✓ **Description** of the work in English, max. four A4 pages long
- ✓ **Name** of the institution where the work is to be carried out
- ✓ **Confirmation** of workplace and work equipment by the supervisor
- ✓ **Information** on any other funding applied for or already granted
- ✓ **Curriculum vitae and collective reference** of the person submitting the proposal

Please send the application as **one pdf file** to **daniel.abed@haus-des-meeres.at**

A committee decides on the eligibility of the application. Criteria for awarding the prize are topic, idea and planned implementation of the work.

The award is conditional on the delivery of an 15-minutes talk at the Science Day 2024 at the Haus des Meeres.

- ◆ **The application deadline is Monday, 4.12.2023.**
- ◆ Further information at www.wifo-hdm.at

CALL FOR PROPOSALS

Hans und Lotte Hass - Marine Conservation Award

The Haus des Meeres promotes a marine conservation project with reference to Austria.

Possible contents are the **protection of marine habitats or organisms** through **research projects** or through **applied conservation projects** on site or also through **campaigns which publicise topics relevant to marine protection**.

A **maximum of € 6.000** will be awarded for this purpose to enable the project to be carried out through **travel and material costs** or **contracts for work with third parties** (contracts up to a maximum of **50%** of the project sum).

The application must include:

- ✓ the **title** of the submitted conservation project
- ✓ a **description** in English, with a cost plan (max. four A4 pages long)
- ✓ the **names of the institutions** involved in the project
- ✓ information on any **other funding applied** for or already approved.
- ✓ a **curriculum vitae** of the submitting person(s)

Please send the application as **one pdf file** to **daniel.abed@haus-des-meeres.at**

A committee decides on the eligibility of the application. Criteria for awarding the prize are topic, idea and planned implementation of the work. The award is conditional on the delivery of an 15-minutes talk at the Science Day 2024 at the Haus des Meeres.

The application deadline is Monday, 4.12.2023.
