

Funding opportunities for life scientists in Austria

This special EMBO information session is hosted by the Institute of Molecular Biotechnology (IMBA) and Gregor Mendel Institute (GMI) and is open to all PhD and Masters' students and postdoctoral researchers across Austria.

Attendees will receive information about available EMBO funding schemes with an opportunity to ask questions and to network with EMBO Members to discuss a career in the life sciences.

Attendees will hear from EMBO Director Professor Fiona Watt, and a recent EMBO Postdoctoral Fellow and EMBO Young Investigator who will provide their personal experiences and advice.

Attendance is in-person only. Registration is required.
